- The Brydon Atrium
- The Moodie Living Room

The main ICCU Event Hall will be able to seat over 700 people.

What type of public accommodations will the ICCU Bengal Alumni Center provide?

The ICCU Bengal Alumni Center will become the venue of choice for alumni and community events.

ICCU BENGAL ALUMNI CENTER

NAMING OPPORTUNITIES

A place to call home.

A place to gather.

A place for opportunities.

A place to connect.

A place to experience Idaho State more deeply.

HELP US BUILD A LEGACY

The Idaho Central Credit Union Bengal Alumni Center will celebrate our marvelous history and promote Idaho State’s mission while articulating our vision for the future. It will showcase Idaho State and remind guests of the tremendous public value Idaho State provides and how it stands out from other universities. The ICCU Bengal Alumni Center will stand as a monument to all of our alumni, an acknowledgment of the caliber of our graduates and of the entire Bengal community.

The Bengal Alumni Center broke ground on July 8, 2021 and construction is expected to be completed in spring 2023. This new facility will not only be a place to gather with alumni and friends, but it will also serve as an events center, display honorary alumni, and have meeting/board rooms.

Welcome home.
